RE: Oceania Throws Pentathlon Challenge

Dear Secretaries and Competition Organisers,

Once again, the **Oceania Throws Pentathlon Challenge** is being held throughout the Oceania region.

In recent years the event has been scheduled to occur during the month of September. However, some New Zealand centres are unable to get onto their throwing circles / fields until early October, therefore I have extended the competition period to be September through to mid October.

There is one important condition of competition that was introduced while compiling last year's results and this will be the rule for all future competitions.

If any competitor competes in more than ONE centre's Oceania Throws Pentathlon Challenge, the performance recorded at their HOME centre will be the one used when compiling the results, re: finishing order per age group.

Competition Fees:

There is NO cost to enter this event and all results will be in a digital format only.

Results Certificates:

Any competitor who would like a certificate can purchase one using the link provided on the event page on the NZMA website.

Can you please confirm ASAP if your centre will be participating in this year's event, with your intended date of competition (if known)? I will then send you the Excel Spreadsheet with names / address information from last year and a sheet in which you can enter this year's results.

Yours sincerely,

Andrew Stark
NZMA President / Oceania Throws Pentathlon Event Organiser
