

Hayden Robinson

Member

- Athletics membership for both ANZ and Masters for 20 years competing up to national level for both open and masters.
- Before taking up athletics, I was a competitive member of the Whanganui Tri/Biathlon Club.

Masters

Competitive member for 20 years competing regularly at both regional club, North Island and national masters events achieving national titles and records.

I would like the opportunity to support Masters Athletics NZ and particularly to explore opportunities and initiatives to attract more masters athletes to join and compete.
