

NZMA Men's Track & Field National and Championship Records

(Updated 08/Mar/2025)

This document contains the following information in **THREE** sections:

- NZMA Championship Event Records:** A list of all NZMA National / Track & Field Championship records for the events that are regularly held at the NZMA Track & Field Championships. A separate document contains a list of all individual event performances & points scored for the **NZMA Throws Pentathlon & Track Pentathlon** events can also be viewed on the NZMA website (see **Appendix A**). This has been included so that new points totals can be re-calculated if age factors change in the future.
- Non NZMA Championship Events:** A list of all other stadia and non-stadia NZMA National / Championship records on file, including records archived due to age factor or implement changes.
- NZMA Indoor Records:**

Note: A Microsoft Word version of these records is available on request for Centres hosting the NZMA Championships, so the records can be included in the Championship booklet.

Where known, the athlete's centre as at the time of their setting of a record is designated. This has only recently been included and we think we have identified correctly when an athlete changed centre. Please email nzmastersathletics@extra.co.nz if you can correct or populate for those we don't have recorded. Similarly, we have only recently added wind-readings for the relevant events so please contact us if you can provide this information for those we don't have.
